

**Trip to  
Zelyoniy orphanage  
And to the graduates of a boarding school in  
Rzhev**

May 2017

Saturday May 27 was full of fellowship with orphans and the administration of two children's institutions: a shelter in Rzhev and a boarding school in Zelyoniy, Tver region.

We wanted to know about the needs of institutions for further sponsorship. Several children's lamps were brought to Rzhev's shelter.

Then there was a picnic for three graduates from Zelyoniy (Artem, Sasha and Pasha), who this summer finish their studies at the Rzhev school and go on a "free voyage". This will be a very difficult test for them, especially considering that they are all disabled in fact, although they do not have an official disability. The guys live together with Igor Shteynikov, but things are even worse for him, because according to the guys, he very rare leave the room and spends all his time dreaming, playing games in the phone and smoking. It is not difficult to guess how such a life can end. Since Igor moved to Rzhev, we have never seen him...

Thanks to our church members, Vasily and Olga, we enjoyed a shish kebab in a picturesque place on the bank of the Volga River!

In the evening we went to Zelyoniy, where we had a good talk with the orphanage director Antonina Alexandrovna. We are praying about taking another mentally disabled child into our family and met with two boys.
