How do we build our faith in a changing world?

How do we build our faith in a changing world?

1. Stay engaged, curious and humble

Does gun reform work?

Gun reform works in parts of the world where there are strict controls on access to firearms and well enforced firearms regulations. This is the case for much of Western Europe, Australia, New Zealand and parts of Asia. For example, in Japan, South Korea and Singapore, the rate of firearm violence is extremely low.
